RESPONSE TO NOTICE OF ACCEPTANCE OF APPLICATION

Applicants have received the Notice of Acceptance of Application dated January 18, 2002, for the above-identified application. The Notice states that additional claim fees of \$334.00 are required (\$54.00 for claims over 20, \$280.00 for multiple dependant claims surcharge).

Applicants filed a Preliminary Amendment with this U.S. National Stage application on September 7, 2001, which Amendment removed the multiple dependency from the claims. Applicants enclose a copy of the Preliminary Amendment as originally filed, and ask that this Amendment be entered and the fees recalculated.

By this Response, Applicants believe that all necessary filing fees have been paid. However, if the Patent Office still determines that additional fee(s) are required, please see the attached transmittal sheet for Deposit Account Authority.

Please contact the undersigned if anything further is required.

Respectfully submitted,

KLARQUIST SPARKMAN, LLP
